

Lighting Applications

Come On In, The Lighting's Fine! Pool Lighting From Paramount

East Lansing High School, East Lansing MI

YMCA, Huntington WV

Paramount Industries has extensive experience with public pools. Here are some key reasons to consider our lighting products and services:

- Wet location luminaires designed to handle humid, chemical-laden environments
- HID or Fluorescent luminaires
- Offering you quality lighting to fit your specific requirements

Paramount has several HID models in particular that are often utilized in the application include:

- P1 and P2 Perimeter Lites
- R2 and R3 Cylinder Lites
- S8 2 x 2 Commercial Squares
